## Sharing the Inexhaustible Bread

Miraculously, The Lord Jesus feeds the crowd of over 5,000 people from just a couple of fishes & 5 bread loaves. Out of what seems so little, Christ Jesus provides so much. Out of what appears so insignificant & unpromising, God's loving & generous grace works miraculously to offer to all present an abundance of gifts.

This is both worldly food to give the mind & body physical sustainability; but also that spiritual food & energy for the immortal soul. What is natural is transformed into the supernatural by the gracious act of the Saviour's love. This is a hint of what the grace of the Holy Spirit achieves at the celebration of the Eucharist in Mass. The ordinary is turned into the extraordinary; the natural elements of food & drink become the supernatural sustenance to nourish our hearts & souls.

We are reminded that the Good Shepherd never forgets or neglects His flock but feeds His sheep with the Sacrifice of His very own body & blood.
